Location: Creative Art Glass Inc.,
525 Denison Street, Unit 3, Markham, Ontario, Canada L3R 1B8

Hours: 9:00 a.m. to 5:00 p.m.

Supplies will be provided Students will create & complete some amazing projects to take home.

Date: Friday October 27, 2017

Tuition: **\$425.00 CAD** per person (includes 13% HST - \$376.11+\$48.89)

You'll learn...

- To generate high resolution halftone artwork using HalfWiz and Photoshop :
 - Assess artwork quality
 - Handle file formats
 - Photo preparation - adjust and convert image to grayscale
 - Half tone conversion - invert and print photo images
- To create photomask with various films, such as UltraPro™ & R3™ Self-adhesive Photoresist Film
 - Expose and washout
 - Apply mask to objects
- Sandblasting the halftones:
 - Surface preparation
 - Experiment with various dpi & substrates, such as glass, mirror, marble/stone, etc.
- About production techniques and high volume production
- Basic colorfill techniques

Basic Sandblasting knowledge is preferred but not necessary.

Some knowledge with Corel or Photoshop is recommended.

Payment: To reserve a position, full payment with a major credit card (MasterCard, Visa or American Express), cheque or money order must be received upon registering for the class. Any open positions within one month prior to the class are filled on a first pay basis. **Limit 8 students per class.**

Cancellation: Cancellations made 7 days or less prior to beginning of classes are subject to a full cancellation fee. If Creative Art Glass Inc. is able to fill the cancelled spot, the fee will be waived. Creative Art Glass Inc. **reserves the right to cancel any school 7 days prior to the scheduled date if class participation is less than 5 students.** Please take this into consideration when arranging transportation & accommodation if applicable. If this should happen, we would credit the full tuition amount or use the credit toward another scheduled class, whichever you prefer.
